

# This Odd and Wondrous Calling: The Public and Private Lives of Two Ministers

This Odd and Wondrous Calling offers something different from most books available on ministry. Two people still pastoring reflect honestly here on both the joys and the challenges of their vocation. / Anecdotal and extremely readable, the book covers a diversity of subjects revealing the incredible variety of a pastors day. The chapters move from comedy to pathos, story to theology, Scripture to contemporary culture. This Odd and Wondrous Calling is both serious and fun and is ideal for those who are considering the ministry or who want a better understanding of their own ministers life.
