

Angels Dont Wear Shoes

Do you know someone you would really like to become a Christian? Surprisingly, this book is light, easy to read, laced with humour, and is hard to put down. In today's pluralistic way of thinking, Charles Alexander never degrades other religions but gently shows why it makes perfect sense to settle on Jesus. Will your friend see how Jesus may be compared with New Age thinking of our day? Yes! Are there good reasons why Jesus emerges above such thinking? Yes! There are even sound and practical ways offered for your friend to begin a relationship with Jesus and with others who love Him. About the author After conversion to Christ, in Liverpool, England, Charles Alexander asked God, if he should be a comedian or a pastor. God turned out to be the comedian! Ordained in Canada and married to Verna, Charles has been privileged in leading many hundreds of people to Christ: has been instrumental in building three new churches: became the founding chairperson of the Anglican Renewal Movement in Canada and has spoken extensively throughout North America, Britain, India, Russia and other parts of the world. He has worked extensively with other denominations in effecting evangelistic events at local and wider levels.
