

The New Revelations: A Conversation with God (Conversations with God)

Neale Donald Walsch's profound conversation with God continues with a New Revelation - brought to us at a time when we need it most. This life-changing book offers some possible, penetrating answers to the questions of our day, providing the tools to pull ourselves out of despair and towards a new world vision. Addressing the zeitgeist following the tide of events of September 11th, we are shown that the violence, loss, sorrow and terror of our world cannot be eliminated through political or economic action, but only by changing our beliefs. Five fallacies about life, combined with the five fallacies about God, continue to feed a deadly misconception that leads to devastating world events governed by violence and crisis. Through challenging the fallacies of our beliefs we can move forward, building at last a new world of peace and harmony based on our new, true beliefs about God and life.
