

Touching Godliness: Experience Freedom through Submission

Seldom do you find a book like this one. With K.P. Yohannans candid and down-to-earth style, he approaches the subject of submission--from which many shy away. While the book is thought-provoking and compelling, its his fatherly concern that leads the reader deeper into this controversial subject. It is not enough to be on the sidelines and watch others touch godliness. It is for you. Yohannan challenges us to follow the way of Christ down this path of submission, in the end finding Gods best. Riveting yet gentle. Comprehensive, yet concise. There is something for everyone on these pages.
