

Tough Sh*t: Life Advice from a Fat, Lazy Slob Who Did Good

Profane, honest, and totally real advice from writer and director Kevin Smith! Take one look at Kevin Smith: hes a balding fatty who wears a size XXL hockey jersey, shorts, and slippers year-round. Not a likely source for life advice. But take a second look at Kevin Smith: He changed filmmaking forever when he was twenty-four with the release of Clerks, and since then has gone on to make nine more profitable movies, runs his own production company, wrote bestselling books and graphic novels, and has a beautiful wife and kid. So he must be doing something right. As Kevins millions of Twitter followers and millions of podcast listeners know, hes the first one to admit his flaws and the last one to care about them. In early 2011, he began using his platform to answer big questions from fans - like What should I do with my life?- and he discovered that he had a lot to say. Tough Sh*t distills his four decades of breaking all the rules down to direct and brutally honest advice, including: Why he has accepted Ferris Bueller as his personal savior, and what the Tenets of Buellerism can teach about hiding in plain sight and lip-syncing in the face of danger Why its really fun to eat but not so fun to be fat What to do about people who dont like your policies (for starters, tell them to pucker up and smooch your big ol butt) What Kevins idol Wayne Gretzky can teach us about creativity and direction For anyone whos out of a job, out of luck, or just out of sugary snack foods, Tough Sh*t is an unabashedly honest guide to getting the most out of doing the least.

Tough Sh*t: Life Advice from a Fat, Lazy Slob Who Did Good The filmmaker offers life advice aimed squarely at his followers. **Tough Sh*t: Life Advice from a Fat, Lazy Slob Who Did Good eBook** Synopsis.
