

Three Days at Sea

Whether you are walking through a difficult season of your life or just need hope and encouragement for the day-to-day challenges, *Three Days at Sea* offers a life preserver of inspiration, prayer, and scripture. The pages of this devotional point you to the Rescuer through stories, prayers, poetry, and Scripture. Carefully placed questions invite you to a moment of solitude to reflect and make application in your own life. The author draws from her own life experiences around the world and from Scripture to reveal God's presence, power, and passion towards you during both the ordinary and the overwhelming circumstances of life.
