

## Ultimate Guitar Play-Along, Vol 1 (Book & CD) (Ultimate Play-Along)

Contains nine killer rock, blues and country play-along tracks, a live rhythm section featuring Musicians Institute staff artists, demo solos by monster guitarists, and complete rhythm charts and solo transcriptions with tablature. The book contains both an analysis of each progression and a transcription of each demonstration solo. Fingerings for some practical scales are diagramed and easily accessible. The guitarist has all the tools he needs at his disposal to jam with some great tracks!
