

Landmarks of History in Three Parts, Vol. 1 of 3 (Classic Reprint)

In offering this excellent little book to the public, the American Editor desires to say a few words of explanation. Having used the landmarks in her own classes for the last two years, she has noticed various inaccuracies, which she has endeavored to correct; some parts of the Grecian history have been rewritten, and in other places events have been mentioned, which seemed of sufficient importance to require some notice; while on the other hand, certain events connected with the history of the Church, which are not well authenticated, have been omitted. EDITH L. CHASE June mU, 1863.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
