

Unheralded Victory: The Defeat of the Viet Cong and the North Vietnamese Army, 1961-1973

Along with a half million other young men, Mark Woodruff put his life on the line to serve his country in Vietnam. Like so many others, he returned home to find himself regarded not as a hero but as a humiliating reminder of the only war the United States ever lost. This Marine, however, is determined to set the record straight. Woodruff never wavers from the cold, hard facts in this riveting book. Battle by battle, Unheralded Victory provides incontrovertible proof that the United States won this war, from the vaunted 1968 Tet Offensive in reality a shattering defeat that decimated the Viet Cong to Linebacker II, the final knockout blow that forced North Vietnam to the table. Make no mistake: our warriors in Vietnam were victorious. Its time America sat up and took notice.
