

Unspoken Sermons: The First Series: A Contemporary and Annotated Edition (Unspoken Sermons: A Contemporary and Annotated Edition Book 1)

George MacDonald, a beloved 19th century author, who has been largely forgotten by contemporary audiences, wrote a series of three books called Unspoken Sermons which contained messages he wanted to share with others but was not able to preach. This is the first of those three volumes and contains eleven sermons. MacDonald was loved by many well-known authors such as C.S. Lewis, G.K. Chesterton, Oswald Chambers, and John Eldredge. This edition is unique in that it has been thoroughly updated to utilize contemporary English words, grammar, and spelling. It also includes numerous footnotes explaining various difficult and unclear references made in MacDonalds writings (e.g. to historical events, literary references, theological terms/concepts, and so on).
