

Walden: or, Life in the Woods

I went to the woods because I wished to live deliberately, wrote Henry David Thoreau, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not lived. In what is perhaps the greatest classic of American literature, Thoreau describes his woodland experience and the lessons he learned in a tiny cabin at the immortal Walden Pond. Newly designed and typeset in a modern 6-by-9-inch format by Waking Lion Press.
