

The 21st Century Organization: Reinventing Through Reengineering (Warren Bennis Executive Briefing Series)

Read it in just 2 hours! A Warren Bennis Executive Briefing Series Book With this book, two distinguished experts present a proven five-phase process for making an organization leaner, more responsive, and more aware of its customers needs. Drawing on real-life change initiatives undertaken at Motorola, General Electric, Hewlett-Packard and other industry leaders, Bennis and Mische demystify the process of reinventing a company and address many questions critical to the success of comprehensive change efforts. Through trend analysis, case study examples, and facts lists-all presented in an easy-to-absorb SuperReading format-The 21st Century Organization examines the economic, quality control, and productivity issues associated with organizational restructuring and demonstrates how each will impact a company's ability to compete in the growing global marketplace.
