

Black Elk Speaks: Being the Life Story of a Holy Man of the Oglala Sioux, Twenty-First Century Edition

Named one of the ten best spiritual books of the twentieth century by Philip Zaleski of HarperSanFrancisco, *Black Elk Speaks* is the acclaimed story of Lakota visionary and healer Nicholas Black Elk (1863-1950) and his people during the momentous, twilight years of the nineteenth century. Black Elk grew up in a time when white settlers were invading the Lakotas homeland, decimating buffalo herds and threatening to extinguish the Lakotas way of life. Black Elk and other Lakotas fought back, a dogged resistance that resulted in a remarkable victory at the Little Bighorn and an unspeakable tragedy at Wounded Knee. Beautifully told by the celebrated poet and writer John G. Neihardt, *Black Elk Speaks* offers much more than a life story. Black Elks profound and arresting religious visions of the unity of humanity and the world around him have transformed his account into a venerated spiritual classic. Whether appreciated as a collaborative autobiography, a history of a Native American nation, or an enduring spiritual testament for all humankind, *Black Elk Speaks* is unforgettable. This special edition features all three prefaces to *Black Elk Speaks* that John G. Neihardt wrote at different points in his life, a map of Black Elks world, a reset text, a listing of Lakota words newly translated and reproduced using the latest orthographic standards, and color paintings by Lakota artist Standing Bear that have not been widely available for decades.
