

Your Identity in Christ

There are so many of us believers that live a life that is dominated by defeat, guilt, condemnation, and shame. So many of us live powerless lives and we are far from the passionate Paul that was zealous, bold and courageous. There is a real need for the body of Christ not to view themselves through the lens of their own sins and other peoples opinions, but to view themselves as sons of God and how the Bible describes them in their TRUE Identity in Christ. This book provides a watershed of truth, insights and revelations that will help each reader come to see themselves as the Bible declares them to be. Come and read nineteen good things that God says you are, and let the truth change you, as it did for the author. Many people run from prophet to prophet to hear that God loves them, has a purpose and destiny for them, and believes in them, when if they had the right book in their hands and took the time to let the truths soak in, they would finally be set free, and propelled toward their destiny. This is such a book!
