

Who You Are When No Ones Looking: Choosing Consistency, Resisting Compromise

We are all at our best when it counts. But what are we like when no ones looking? That's where character comes in - being consistent even when it doesn't seem to matter. Courage. Discipline. Vision. Endurance. Love. These character qualities are quickly becoming endangered. All too often we hear of marriages falling apart, governments lying, businesses cheating and scandals rocking the church. But with God's guidance and strength, we can maintain character that lasts despite temptations and troubles.
