What lifts a single girls spirit most?aside from finding a man, of course?is meeting other girls in her same boat. Whos Picking Me Up From the Airport? opens with Cindy Johnsons story and she will quickly become your newfound single companion. Her refreshing and comical commentary on adult Christian dating provides readers the much needed opportunity to laugh and celebrate single life for what it is: joyful and complicated. Cindys choice to put it all out there creates a powerful and much needed safe place for vulnerability and honesty around singleness. This book addresses head on the difficult reality experienced by singles in the Church. Cindy will push you to seek Jesus first, even when you dont get the things you want. Each chapter begins with a short letter written by single Christian women to other women from all walks of life. You will be reminded that you are not alone. In authentic pages filled with humor and truth, you will find in Whos Picking Me Up from the Airport? what you need most?a friend.
