

## Workbook / Laboratory Manual for Avanti : Beginning Italian, 3rd Edition

The Workbook / Laboratory Manual provides more conventional, drill-like practice of the Strategie, Lessico, and Strutture material presented in the textbook using a variety of written activities and audio activities. In addition, each chapter includes a Cultura section which expands upon the cultural themes of the chapter through additional listening activities (Ascoltiamo!), a new culture reading (Leggiamo!), and a new process-writing activity (Scriviamo!). A revised culture feature in this section reviews the new cultural material presented in the chapter: In Italia, Culture a confronto, Un po di cultura and Regioni d'Italia. Covers Chapters 1-16 and includes activities for Per saperne di piu for instructors who wish to cover more material in their curriculum. Answers in the back of the workbook.
