

Worth Living: How Gods Wild Love for You Makes You Worthy

How Gods Wild Love Helps Us Overcome Feelings of Worthlessness All women yearn to wake up each morning knowing that, no matter what their circumstances, they can feel joy because they are secure in Gods love for them and their unique place in the world. With deep compassion, Mary DeMuth dares women to believe that the God who starts a good work in them is faithful to bring it to glorious completion. That the God who redeems them also loves them--right now and always--with a beautiful love. That they are daughters of the King, always welcomed in his presence. She helps women discover a future where they know they are wildly loved, they feel strong and secure, and they are destined to have a great impact on the world around them.
