

## You Are My Friends: Gospel Reflections for Your Spiritual Journey

A real prayer starter with appeal for all who are seeking deeper meaning in life and a more-structured prayer life. A beautiful book in every way. Saint Teresa of Avila reminds us that prayer is an intimate conversation with a friend. This little book is designed to help with that conversation. The gospel passages begin the exchange. The reflections then leapfrog from the message of Jesus in the gospels to present-day concerns. Through this conversation, Jesus becomes more alive and more tangible, thereby helping readers deepen their relationship with him.
