

Youre the Shit: A totally inappropriate self-affirming adult coloring book

Color like the badass you are. Coloring is relaxing, easy, and fun. But do you know what's even better? A sassy coloring book that boosts your self-esteem while you color. Inside this beautiful book you'll find 21 single-sided, gorgeous frameable designs to color and enjoy. Handpicked for their beauty and ranging from simple to intricate, most of the drawings include uplifting messages...from the socially acceptable 'You've got this' to the cheekily profane 'You are a metric shit ton of awesome.' So grab some pencils or markers, find a comfortable place to artistically unwind, and get ready to raise your spirits while you release your inner sass in full-color splendor.
